Brut NV Champagne as you study celebrated Head Chef Matthew Green's sumptuous menu.

Ahead lies a journey back to the Golden Days of rail travel, a time when nothing was too good for the pampered passengers. Our Executive Head Chef and his team will already be hard at work in the kitchen carriage preparing a sumptuous seven-course dinner, accompanied by our Sommelier's choice of wine. Each course boasts the finest seasonal ingredients from the British Isles, classic and innovative dishes are crafted in our recently refurbished kitchen carriage.

As the glorious British countryside passes by, indulge in freshly prepared canapés including caviar blinis. Then your starter is served, followed by a seasonal soup course, hand served by one of our highly skilled Stewards. The main course follows shortly after, intricately crafted and showcasing the best of British produce inspired by the route ahead. Later we'll serve a seasonal dessert that has been freshly prepared by our team of chefs. To round the journey off, choose from an array of British cheeses from our award-winning cheese board, accompanied with chutney, fruitcake, biscuits and a glass of Port. Finally, mull over the journey with Fortnum & Mason tea and petits fours. A dazzling firework finale completes the fabulous evening.
