## THE ROYAL BOX

We are offering a very unique opportunity to entertain your clients in the Royal Box at Epsom Racecourse. The Royal Box is a truly impressive venue in which to entertain your clients and it is renowned for giving guests the WOW factor when they first arrive. Tapestries and fine art adorn the walls and a huge outside multi tiered viewing balcony located directly overlooking the winning post, winners enclosure and the beautiful Epsom Downs gives you the perfect setting in which to enjoy a day at the races.

The Royal Family including the late Queen use the box for Derby Day of the Epsom Festival each year so this is a very prestigious opportunity for you to experience a day at the races in a real Royal facility. The box will hold 50/60 guests on either a private or shared basis with private tables of 10 available. The Royal Box is located on the 2nd floor of the Queens Stand and is accessed via a private lift, away from the normal corporate and public areas.

On arrival and after going through the glass sliding doors onto the spacious balcony directly overlooking the winning post, you will be seduced by the wonderful views and the thought of watching the top class racing that is to come later on in the day. Your hospitality package includes everything that you will need, from unlimited beers, wines, soft drinks, selected spirits and a delicious three course lunch. You will want for nothing and your waiting staff will ensure that you do not have to worry about getting your guests drinks throughout the day as they will attend to your every need.

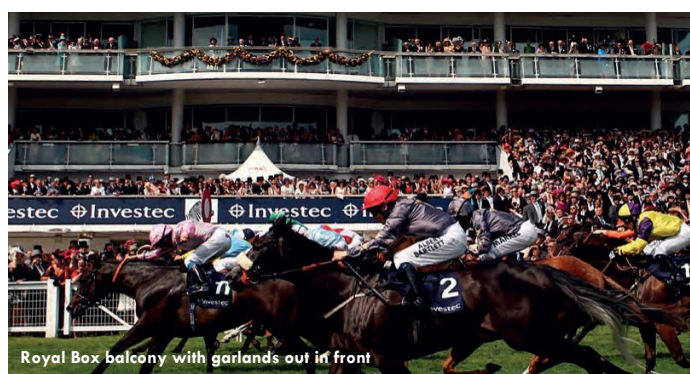

The box also overlooks the winners enclosure for any of those who want to see the horses close-up after each of the 6 or 7 races. This is a truly fantastic experience and the Royal Box is perfectly located to make the most of a wonderful English racing event.
