## SEATING

The Northern Belle reflects the style of Britain's famous 'Belle' & Pullman trains of the 1920's & 30's. The individually designed carriages have been lovingly restored by some of the country's top craftsmen, including marquetry experts, muralists and mosaic artists. Every carriage is named after a Great British stately home or Castle and the designs inside reflect the famous names. You will find specially commissioned upholstery, mosaic floors and fine furnishing that provide a country house atmosphere. We have seven dining carriages and seats are arranged in bays of six seats with tables of four down one side of the train and tables of two opposite with an aisle in between.
