

THE CARRIAGE CLUB

THE CARRIAGE CLUB: AN IMMERSIVE JOURNEY THROUGH CABARET AND CUISINE

Experience London's first cabaret on a train.

From May 2024, the iconic British Pullman will host 'The Carriage Club' - the first ever cabaret on the rails. Each immersive dinner journey is inspired by London's 1930s cabaret scene, bringing together decadent dining and superb live entertainment by an all-star cast.

During these evening journeys, guests will be served a gastronomic five-course dinner, accompanied by our sommelier's choice of wines. Inspired by the menus that made London's great Art Deco dining destinations so iconic, the cuisine sets the scene for the entertainment that unfolds. The capital's most talented cabaret artists will come together to delight and entertain guests with the hypnotic culture of cabaret. Featuring magicians, dancers, singers and more, they'll make every evening unforgettable.

Do contact Liz @ **EMG EVENTS LTD** for your requirements, including booking whole carriages.
