EMG EVENTS COMPANY GOLF CHALLENGE - 2016

JDP PLUMBING - WINS

Another year on and another EMG Golf event reaches a finale, with a bright start to the morning, the sun shone through for most of the day to welcome the golfers to Betchworth Park Golf Club. The teams looked forward to another fine days' golf, competing for the annual EMG Golf Challenge trophy, now in its 11th year.

With a mixture of businesses from construction, Haulage, Interiors, recruitment, engineering and heating, the dry day helped keep good scores being posted.

Good scores were posted from most teams, with 2nd, 3rd and 4th placed teams all posting the same scores. The winners were JDP Plumbing who won with an impressive score of 92 points, Academy Consulting took the runners up prize on 85 points. 3rd place (on countback) also on 85 points were the team from PTS.

Aaron James, the well known and respected comedian, entertained the golfers with his excellent impersonation of Chris Eubank and Frank Bruno, superb one liners and tales from golf to politics.

For more details on this event and how EMG Events can make your company event a day to remember, please contact Liz Martinez-Gray, Events Director, EMG Events & EMG Golf:
